**MIDWEST BROILER/FRYER** - Final majority prices in major markets moved 3 cents higher with Ohio cities TFEWR. Whole broiler/fryer market tone was steady to firm. Offerings were adequate for the limited trade interest. Retail and distributive demand was light to moderate at best; expectations for improvement by week's end for upcoming holiday. Floor stocks were generally in balance; weights desirable to trending heavy. Supplies of parts were ample to in close balance with dark bone-in parts in closest position and white meat lines long. The market tone on parts was steady to firm on bone-in dark items, and barely steady to weak on the balance of parts.
